# Day Tours 2019

## April, May & June

### EASTER TREAT TRAIL Enjoy a mystery day collecting sweet treats!

**APRIL DAY TOUR** 10.00am to 4.30pm **\$98**

This April we have a sweet mystery for you! Have you ever been on an Easter Egg hunt? This month we're taking our own hunt for special Easter treats, and you're guaranteed to find some delicious delights to bring home! We can't tell you where we are heading, but we can give you some clues...

One of our stops is in a town named after someone who commanded an African animal. This place creates sweet treats of many different flavours, but are not known for chocolate eggs. You'll receive a special sample of their wares to take home.

You might think that the next place we visit could be a little temperamental, and perhaps think that they are a bit better than everyone else. This place might even make you think of stone fruit and raspberries, perhaps even some vanilla, yet you won't necessarily find them here. You will, however, receive something sweet to enjoy later!

Hopefully this will whet your appetite for a sweet day out in April, hunting for Easter treats! Come along and join the fun!

### AUSTRALIA'S BIGGEST MORNING TEA Raising money for the Cancer Council!

**MAY DAY TOUR** 10.00am to 4.30pm **\$97**

Australia's Biggest Morning Tea is a fantastic opportunity to come together, share a cuppa and some delicious food, and help those affected by cancer. Each year the Cancer Council encourages Australians to host a fundraising morning tea. The aim of this fantastic organisation is to save lives through the prevention, early detection and treatment of cancer.

During May we are having morning tea at the Lookout Café, Kings Baptist Church, which includes tea or coffee with a selection of delicious treats. **We are excited to be donating \$7.50 to The Cancer Council for each person who joins our tour in May.** So enjoy morning tea knowing this event is helping make a difference in the fight against cancer.

While the focus of our tour is on morning tea, the day doesn't stop there! After we have enjoyed our cuppa and food, we take a relaxed drive through the hills to allow us some time to prepare for a later lunch. Our meal today is in the charming Hills town of Gumeracha. There is plenty of time to enjoy our meal, chatting with old friends or making new ones before we continue our journey.

We are very excited to be able to make this a special and fun day out and encourage you to add something yellow or blue to your outfit on the day!

## URRBRAE HOUSE & HILLS VIEWS Explore SA's fascinating heritage

**JUNE DAY TOUR** 10.00am to 4.15pm **\$96**

This month we visit a fabulous heritage building that many South Australians pass by every day without knowing it exists! Urrbrae House was built in 1891, as the home of Peter and Matilda Waite. Peter grew up on his mother's modest family farm in Scotland – his father died the year of Peter's birth. He moved to SA and became a wealthy pastoralist, and his fiancé Matilda joined him here (travelling on the maiden voyage of the clipper, The City of Adelaide!).

The interior of the house was designed by Aldam Heaton – his only commission in Australia. Heaton's company would later design much of the interior of the Titanic. Urrbrae House was the first home in Adelaide to be lit by electricity, and in 1895 was the first in Adelaide to have a refrigeration system installed.

Peter and Matilda later donated the Urrbrae property: the eastern section to the University of Adelaide for scientific studies relating to agriculture, and the western section to the Government of SA for an agricultural high school.

We are privileged to have a tour of the main floor of this very special home, and hear more of the Waites' story before heading up into the Hills for lunch in Meadows.

This will be a fascinating day, and we'll be travelling through gorgeous countryside, so don't miss out!

Welcome to our latest day tour brochure!

We are coming into one of the nicest times of the year to be travelling around Adelaide. With the leaves turning and generally fine, stable weather, it's a great time to get out and enjoy life.

For the next three months we have three very different tours. There's a fun day hunting for Easter treats, a fabulous day of food and countryside raising money for cancer research, and an amazing hidden mansion. Without a doubt there are three excellent tours to encourage you out into the wonderful countryside we are blessed to have so close by.

We hope you're just as enthusiastic about these trips as we are, and look forward to seeing you on a great day out soon!

Kind regards from  
Monica and Paul Arbery
