# MILDURA CRUISES

PS Rothbury. Credit: Roberto Seba & Visions of Victoria

Did you miss out on our last trip to Mildura? This trip has been incredibly popular! Good news: we have another trip coming up in September!

This tour is a little special because we not only take a cruise on the Murray – we also head out for a special cruise along the lower reaches of the Darling. Mildura is perfectly placed close to the junction of these two wonderful watercourses, and we make the most of this location.

Of course, if we are visiting Mildura, we wouldn't miss out on exploring the land-based attractions of the area too. It all makes for a delightful four days away.

**This tour is travelling from the 25th to the 28th of September.** Please enquire as soon as possible, as there were a number of people who missed out on a spot last time, and we hate disappointing people!

# PILBARA MAGIC

The Pilbara covers an area of over 500,000km<sup>2</sup> and extends inland from Broome. It was brought to many people's attention through the movie Red Dog, which showed off its incredible scenery and atmosphere.

Although the Pilbara is well known for iron ore mines, it is much more diverse than this. There is stunning, pristine coastline, rugged and dramatic outback country, awe-inspiring rock formations and great natural beauty.

The towns of the Pilbara all have their own unique character, and the area is host to some incredible

experiences. For example, meeting the dolphins of Monkey Mia is a once in a lifetime experience.

With such a large region, we've carefully planned our tour to ensure we see it in comfort. We fly into Broome and explore this fascinating remote location on the coast. We tour through the coastal areas from Broome all the way to Perth before flying home again. It creates a sensational 15 day tour, designed to be exhaustive without being exhausting!

**We are touring this superb part of WA from the 5th to the 19th of August** – a perfect time of year to be here.

## MONARTO & MORE OVERNIGHTER

Monica, the kids and I visited Monarto Zoo earlier this year, and were surprised by how much it has improved and developed. The tour around the Zoo is fabulous (for our tour, we use our own coach and have a Monarto Zoo guide on board), there is a huge amount to see, and some of the new exhibits are incredible.

Last time we did this tour we offered some optional extras. For example, some people chose to do a special giraffe experience. Some chose to do the Lions 360 experience, where you enter a special cage that the lions can climb all over. Some people chose to even feed the lions! These options are at extra cost, but add another dimension to your trip. Those people who don't choose one of the extras still get the full zoo tour, plus time to spend watching the meerkats and the chimpanzees.

Of course there's more to this overnight trip than Monarto: we stay at Mannum for the night, take a cruise on the Murray, and more!

Monarto is proving to be an ever-popular tour that books out quickly. So **if you would like to join our next trip, on the 2nd and 3rd of September**, please get in touch as soon as possible.

 **Keep up-to-date with our latest news, have immediate access to new itineraries for upcoming tours as they're released & more...**

## MEMORIES & MELODIES RETURNS

One of our favourites is back again this year – Memories and Melodies! This overnight trip has been incredibly popular in the past due to its combination of a fabulous show with Linda McCarthy at the Vine Inn in the Barossa, with other great attractions on the “memories and melodies” theme.

**This year’s tour is travelling from the 9th to the 10th of July**, and we’ll be restricted in the number of people we can take along with us. As a result, it would be worthwhile getting in quickly to request a copy of the detailed itinerary and book your spot.

## PERTH STAYPUT BOOKING FAST

**If you would like to enjoy a fabulous holiday staying at one place in Perth and taking day trips to all of the wonderful places close by, it would pay to act soon!**

We’ve had a great response to this tour! It’s not surprising, because there is so much included in the trip, and Perth is a perfect destination for a stay-put holiday. With easy, direct flights, we arrive into Perth and are able to quickly settle into our accommodation. Then, with no need to re-pack until our last morning, we take excellent day trips around. It adds up to a wonderful eight day holiday in Western Australia.

**We’ll be travelling from the 24th to the 31st of August**, and would love to have you along! However, with bookings coming in strongly at the moment I highly recommend booking very soon.

## SMALL GROUP OPPORTUNITIES

Do you love to travel with just a handful of other people? Some of our winter tours are likely to travel with quite small groups, so it makes a very special opportunity if you particularly enjoy a holiday without a crowd.

At this stage our Australia’s Red Centre tour (Adelaide to Alice Springs), Great Territory Trip tour (Alice Springs to Darwin), and Darwin & the Top End (featuring Kakadu and Litchfield National Parks) are all likely to travel with quite small groups, for a very special experience of Australia’s north and outback.

If you would like to join one of these trips please give us a call and we’ll send the detailed itinerary to you. All dates and prices are available on the back page of this newsletter.

## DISCOUNTS FOR REGULAR TRAVELLERS

**Have you taken a holiday with us in the last eighteen months? Then you will have earned points in Endeavour Tours’ own reward scheme, and may be entitled to a discount off your next holiday!**

Traveller’s Rewards gives you points for every day you travel on a holiday tour with us – the more you travel, the more points you earn. This means that quickly you can earn a small discount, or you can wait until you’ve travelled more and earn a larger discount. If you would like to know how many points you have, please give us a call.

It’s important to note that Traveller’s Rewards points expire after eighteen months, so don’t forget to use them up!

We hope this makes your next holiday a little easier!

## THIS MONTH'S BOOMER'S CLUB WINNER

We have the latest monthly prize draw for the Boomer's Club members! We would like to congratulate **Yvonne Tyler** on being our latest winner, and some special Haigh's goodies (both edible and not) are headed in her direction!
