Day Tours 2020

November & December

CACTUS CREATIONS Spiky and delightful **NOVEMBER DAY TOUR** 10.00am to 4.30pm **\$102**

November is a wonderful time to be out exploring, and we've got a fabulous tour for this great month!

This morning we're travelling south, heading for the southern vales and beyond. We stop for a picnic-style morning tea, before heading into the back streets of McLaren Vale.

Tucked away is a fun and quirky place called Cactus Creations. The owner, Angela, has created something quite unique here. Angela has a passion for cacti and succulents, and combines this with her prize-winning pottery work. She is looking forward to sharing her passion for these fascinating plants and also the passion behind the art she creates. Her work is remarkable, and has won numerous prizes including first prize at the Royal Adelaide Show for her hand-created pottery. As an added bonus Angela has a friend showing her macramé work.

If you enjoy a little shopping there is a wealth of options here, and as we get close to Christmas it's a perfect chance to pick up something truly unique.

Continuing south we make our way to the Fleurieu town of Yankalilla for lunch – a hearty two course meal with time to enjoy and chat. In the afternoon we explore some of the stunning scenery this area is famous for, before making our way back to the suburbs. The views and countryside make for a refreshing day out.

It's going to be a fun day! Don't miss out!

CARRICK HILL CHRISTMAS Experience the newly renovated house

DECEMBER DAY TOUR 10.00am to 4.30pm **\$114**

December heralds the festive season, and we've got a day to get you in the mood for Christmas.

We start with a visit to an iconic Adelaide property – Carrick Hill. This very special historic home has just completed renovations, making it an even more interesting place to visit. And as the renovations include a lift, the house is much more accessible to explore.

Carrick Hill is fortunate to be one of the few period homes in Australia to survive with its original contents almost completely intact and its grounds undiminished. Built as the home of Bill Hayward (of John Martins fame) and Ursula Barr Smith, it is a tribute to the money and taste of the early 1900s. It is full of the fine and decorative arts collected by the couple, and surrounded by beautiful gardens. We have time to explore and enjoy this amazing property.

Our lunch in the hills today is a traditional Christmas-style feast (with other options available) so we can get into the mood of Christmas. We relax and enjoy chatting with friends old and new. This afternoon, as has become traditional for us in December, we are visiting a local Adelaide Hills cherry farm for the opportunity to purchase top quality, freshly picked cherries.

Join us for a great day and enjoy getting into the spirit of Christmas with friends!

CHRISTMAS LIGHTS DINNER CRUISE West Lakes at its best

DECEMBER EVENING TOUR 6:45pm to 10:45pm **\$98**

This year we've planned something a little different and special for our December evening tour – a dinner cruise on West Lakes to enjoy the homes decorated with Christmas lights along the waterfront!

There is something especially relaxing about cruising on still waters like West Lakes, made even better by a delicious meal on board. Combine this with the beauty of Christmas lights twinkling on the waters of the Lakes, and you've got a magnificent night indeed!

After our cruise we take a drive to see some additional nearby Christmas light displays. It adds up to a superb night out, and a great way to get into the spirit of the season.

We expect that these trips will be very popular, so call as soon as possible to book your spot. Join us for a wonderful evening of Christmas lights, relaxing cruising and delicious food!

Departs approximately 6:45pm after home pick-ups, home set-downs begin approximately 10:45pm.

We are so excited by the next two months! The season is perfect for getting out of the house and making the very most of life and we're thrilled by the trips we've put together.

In November we visit a quirky, fun place in McLaren Vale where succulents are perfectly paired with hand-made, prize-winning pottery work before exploring the Fleurieu. In December we visit the newly-renovated Carrick Hill, now more accessible with lift access upstairs. The day also includes a stop at a cherry farm, and of course a delicious Christmas-style lunch!

This time of year is a favourite for many so it is worth booking straight away!

I should also mention our special evening tour in December: we're cruising West Lakes with a Christmas-style meal before exploring local Christmas lights. It will be fun!

Kind regards from
Paul and Monica Arbery
