LOTS OF HOLIDAYS COMING SOON

HAPPY NEW YEAR FROM ENDEAVOUR!

Welcome to 2021! After a rather challenging year for everyone we're all looking forward to a much happier time. Why not begin the year with a great day out or a holiday with Endeavour Tours! We have a huge range of wonderful days and holidays ready and waiting for you to join. Let's make 2021 a wonderful year!

One of the challenges of planning tours in a pandemic has been knowing where we will be able to travel! The general uncertainty has meant that our tour schedule has a few gaps in it – but that will be changing quickly.

We currently have a wonderful selection on tours heading interstate during the winter months. On top of this we are also madly putting in place a big selection of fabulous holidays that stay a little closer to home. So if you would like to discover the incredible wealth of amazing places there are to see without even leaving SA, keep an eye on our newsletters. There's so much to come!

DAY TOURS UPDATE

FEBRUARY AND MARCH DAY TOURS

Have you booked yours yet?

The bookings have been coming thick and fast, so make sure you call to ensure there will be a spot reserved for you. Current seating restrictions mean that some tours can only fit a small number of people, so some Day Tours can book out very quickly.

Please call as soon as possible to check if there is availability for your preferred day.

NEW DAY TOUR BROCHURE

There should be a new Day Tour brochure tucked in with this newsletter, with some great trips coming up – we hope you like them! Some of our Day Tours are re-visiting a variety of the favourite trips from our last twenty years of touring – it's great to go back and experience them again!

If you haven't received the Day Tour brochure please give us a call and we'll send a copy to you straight away.

HOLIDAY TOURS UPDATE

SOUTH COAST UPDATE

For our South Coast customers we wanted to update you on how tours are booking.

Kangaroo Island – we have just a handful of seats left for this tour in March – please call as soon as possible!

Port Lincoln is now booked out – let us know if you would like to be on the reserve list.

There are plenty of spots available for the **Pichi Richi** tour in April, but don't leave it too long. These trips tend to be very popular.

We still have spots on our **Monarto, Murray & More Overnighter** in April – it's a great short break.

METROPOLITAN ADELAIDE UPDATE

Our **Fleurieu Overnighter** still has places left – come see why so many people retire in this gorgeous part of the world!

Kangaroo Island, Port Lincoln, Pichi Richi and Monarto tours are all booked out – please call to be added to the reserve list.

We'll be planning more departures to these locations soon so stay in touch.

WINTER GETAWAYS FOR 2021

Would you like to have a trip to warmer areas planned for next winter? It's great to have something to look forward to as the year passes slowly by. We have a huge range of trips to get you away from the winter cold in SA and off to some very special, warm places!

NEW SOUTH WALES

NSW has some stunning coastal areas, and two of our winter tours take in quite different, but equally spectacular regions.

South of Sydney is the gorgeous area around Kiama and Nowra – the **Shoalhaven**. We travel by coach to Kiama and then settle in to our accommodation here for the rest of the trip. We spot dolphins in Jervis Bay, taste fresh oysters by the clean waters of the Crookhaven River, explore gorgeous gardens, visit the blowhole and lots more. This tour returns home by air.

Alternatively, if you prefer the coastline further north, come tour with us along the **north coast of NSW**. We fly both ways, and explore all the way from Port Macquarie to the Queensland border. We have three nights in Port Macquarie, three nights in Coffs Harbour, and two nights in Grafton before flying home from Brisbane.

QUEENSLAND

We have four superb stayput holidays in Queensland to warm up your winter!

Have you truly explored **Brisbane**? If not, come with us and you'll discover the fun and beauty of Queensland's capital. We fly both ways and enjoy settling in to one accommodation venue for the entire stay.

Another great holiday is our **Sunshine Coast** stayput tour. We fly both ways to Brisbane, and then stay for the duration in great accommodation in the Sunshine Coast. You'll explore rainforests and coastal areas, and enjoy the relaxed feel of this region in winter.

Further north is the city of **Townsville**, and we've arranged another stayput holiday here. As well as having a great time touring around Townsville, we also have time on the nearby Magnetic Island – time that will be a true highlight of your holiday!

Our fourth stayput holiday in Queensland is **Cairns**. This city offers everything in a comfortable distance – the Great Barrier Reef, lush rainforest, quiet lakes and stunning waterfalls. You won't want to come home!

OUTBACK & NORTHERN TERRITORY

If you want to experience places that leave memories that last forever, you need to explore the Northern Territory! Here are three amazing tours:

We start with a tour that travels all of the way from **Cairns in tropical Queensland to Alice Springs** in the heart of Australia. Visit fascinating outback towns, meet local characters, and experience places that you've never imagined!

Or perhaps take one of the most iconic journeys in Australia: through the heart of the Territory, all the way north from **Alice to Darwin**! Start in the desert and finish in tropical warmth at the sea, with everything from the Devil's Marbles to the hot springs at Mataranka in between!

If you want to really get to know the top end of Australia, join our **Darwin** tour. Not only will you experience the highlights of the top end capital, but we also visit Kakadu and Litchfield national parks. Waterfalls, giant termite mounds, a wetland cruise, crocodiles – even feeding wild fish!

WESTERN AUSTRALIA

We have four fabulous holidays to experience the breadth of the west.

The **Kimberley** is awe-inspiring. We travel from Darwin, into WA and through the Kimberley. Rather than endless corrugations, we include an unforgettable helicopter flight over the Bungle Bungle. And then there's Lake Argyle, Geikie Gorge cruise, Broome – the list goes on. We fly to Darwin and back from Broome.

Another incredible journey is from **Broome, through the Pilbara and along the Coral Coast to Perth**. This region is home to places like Monkey Mia and its wild dolphins, Ningaloo Reef where we cruise in a glass-bottomed boat, the Murchison River and so much more. It also includes highlights of Broome and Perth.

If you prefer a stayput holiday, how about staying in comfort in **Perth** and exploring the delights of this south west corner of the state? We explore Perth, cruise the Swan River, discover Fremantle's secrets, and venture further afield too.

Another unforgettable journey is from **Perth to Adelaide**, across the Nullarbor. This holiday enjoys the highlights of Perth, sees the mighty WA forests, explores the incredible coastline at Esperance, and crosses the Nullarbor. A highlight is visiting the incredible Bunda Cliffs of the Great Australian Bight.

All of these tours have detailed itineraries, either just released or coming very soon. Call us on 8374 0800 and plan for a memorable, and warm, winter in 2021!

NEW BUS COMING

We have ordered a new bus! Well, it's more of a coach, really!

Late last year we sold our oldest bus. It was a great vehicle but getting a bit long in the tooth. So we've ordered a new small coach, designed especially for us.

The new bus will be similar to the one we currently use for our holiday tours. As you know, we prefer to run tours in smaller groups – we've found that smaller groups tend to be friendlier, and

it makes getting around to see things much easier too. We can go to lots of places that the big buses can't.

So unlike the big buses with 50+ seats, our new bus will have just 32. It will have fewer seats than is standard for the vehicle, so we can make sure there is plenty of leg room. And it will have all of the comfort of the big buses, with climate control air-conditioning, tinted windows, reclining seats with foot rests, and even charging points for your phone or tablet.

This new small coach will be arriving in the middle of the year – it takes time to get a bus specially built! We're sure you'll love it!
