APRIL DAY TOUR 10.00am to 4.30pm **\$105**

One of the most beautiful areas close to Adelaide is the Fleurieu Peninsula, and that's where we are heading in April.

Today we head south through rolling hills to Normanville. With a relatively cool summer and a little rain in autumn, it's interesting how much green there is in the countryside already.

In Normanville is a special place called A Birdie Told Me. This store is a collective for lots of local people to show and sell their craft work and art pieces. Over 80 different people have joined together to share the cost of running a shop, and display their amazing variety of work – all created by people from the area. This incredible range is great to browse through. If you need to pick up a gift for someone, this is the perfect place to find something completely different, special and unique.

After our visit we have a very short distance to travel to lunch – just across the road! We'll enjoy a delicious and hearty lunch at the Normanville Hotel.

This afternoon we head off on the back roads, exploring the magnificent scenery that the Fleurieu offers.

Come with us and enjoy a day packed with superb scenery!

CANCER COUNCIL FUNDRAISER Morning tea at The Pastel Teacup

MAY DAY TOUR 10.00am to 4.30pm **\$109**

Come along on a fun day out, while raising money for the important work of the Cancer Council!

Every May the Cancer Council encourages people to hold a morning tea to raise funds for supporting people with cancer. This special fundraiser is known as the Biggest Morning Tea because people all across Australia are holding their own morning teas to raise money. And our day tour this month is joining in.

We have arranged a morning tea of tea/coffee and cake at a wonderful tea shop in Strathalbyn, called The Pastel Teacup. This charming tea room is dedicated to all things tea and pretty, and is a delightful setting for our morning.

As part of the fundraising Endeavour Tours is donating \$5 to the Cancer Council for every person travelling. If you would like to join in the spirit of the day feel free to bring along some change for a donation – we'll collect them on the day and pass them on.

After morning tea we drive across to the south coast for a delicious lunch at the Middleton Tavern. In the afternoon we take in the views over the south coast before driving through the beautiful countryside on the way home.

This will be a fun day with the added bonus of raising funds for such an important cause!

WINTER MYSTERY TOUR See if you can guess where we're going...

JUNE DAY TOUR 10.00am to 4.15pm **\$107**

Everyone loves a mystery! And today we're going to do our very best to confuse!

We're heading to a district that has always been a little different. The community here has at times been controversial, and yet their heritage is a very strong part of SA's history. This district is currently going through some dramatic cutbacks, and it's likely that we'll see the impact of this as we travel – but strangely it seems to add to the beauty of the area. You might think the slashing in this major industry is enough to drive people to drink, but the community isn't the slightest bit depressed about it.

Our visit this morning is to another industry that has experienced massive change – almost to the point of extinction. Mind you, it's an industry that knows all about hard knocks, and always seems to come out strengthened and with new beauty. A local worker will give us a demonstration, and how they show their skill will warm you on a winter's day.

Lunch is just down the street, and it's a lovely town – no bull. We'll enjoy a delicious two-course lunch and be able to chat about what we've seen this morning.

Our afternoon might take us anywhere, as long as we end up back home!

Welcome to our latest day tour brochure!

We are coming into one of the nicest times of the year to be travelling around Adelaide. Autumn is a fabulous season

- the leaves are turning plus we get to enjoy fine, stable weather. It's a great time to get out and enjoy life.

For the next three months we have three very different tours. There's a great day heading south onto the Fleurieu Peninsula, a delicious day raising funds for the Cancer Council, and a perplexing mystery to keep you guessing. Without a doubt these are three excellent tours to encourage you out into the wonderful countryside that we are blessed to have so close by.

We hope you're just as enthusiastic about these trips as we are, and look forward to seeing you on a great day out soon!

Kind regards from
Monica and Paul Arbery
