APRIL DAY TOUR 9:30am to 4.30pm **\$96**

Summer means strawberries in Adelaide! One of SA's most famous strawberry growing families is the Paech family at Hahndorf, with their wonderful Beerenberg Farm. We've long visited Beerenberg for their amazing range of scrumptious jams and sauces. The Paech family have just opened something brand new – their Beerenberg Experience. As part of their fabulous new visitor centre we can learn about the history of the Beerenberg Farm and taste various products. But don't taste too much as you'll spoil your morning tea – enjoyed here in their café. And of course, you can always purchase something delicious to take home!

From Hahndorf we travel through the scenic Adelaide Hills to the Onkaparinga Valley town of Woodside. We're enjoying a hearty lunch here at the Woodside Hotel – one of our favourites in the area.

In the afternoon we head off the beaten track a little on the gorgeous back roads of the hills – we'll try and take you on roads you've never seen before!

Come for a great day out with friends in the Adelaide Hills.

MAY DAY TOUR 9:30am to 4.30pm **\$99**

Where do you think we should go today?

We're off to a charming country town that is now relaxed and relatively peaceful. However, it used to be on one of the major freight routes in SA. The goods that passed through here were of great importance to the South Australian economy to the South Australian economy. Did I just repeat myself? Well, it's not surprising – it's that kind of town! It's also a town near where a prominent media identity grew up – someone who is known for their ability to talk. A local is jumping on the bus with us today, to show us the secrets of their town.

We love supporting local communities, and we're doing that again today! The place we are visiting is volunteer run for the benefit of the local community. We're sure that you'll enjoy your visit here, but in times past you wouldn't have wanted to be here. You may wish to come prepared to do a little shopping – it all supports the community.

Who knows where we'll be having lunch today! (Well, we do, but we won't be telling you!) We can let you know that it will be a hearty two-course meal, though.

It's going to be a fun day out and about! Come along and enjoy a mysteriously good day!

JUNE DAY TOUR 9:30am to 4.30pm **\$93**

Did you know that there is a part of the Adelaide Town Hall in the Barossa?

From 1877 until 1989 one of the impressive features of Adelaide's Town Hall was a spectacular pipe organ. It was built in England by the firm Hill & Son, but after 1989 it languished in storage. However, it is now fully restored and in use, in the Tanunda Soldiers Memorial Hall.

Today we're making our way north to Tanunda to see and hear this amazing musical instrument. One of the Friends of the Hill & Son Grand Organ will tell us about the organ, about the journey of its restoration, and what makes it special. The instrument is a work of art: it rewards both the ears and the eyes!

After visiting the organ we head across to Angaston for a delicious two course lunch. In the afternoon we head back to the coast, making our way through the beautiful Adelaide Hills. It's going to be a great day – don't miss out!
